Every four years world scouting holds a World Scout Jamboree. In 2015 it was in Japan and in 2019 it is going to be in USA.

A world scout jamboree gives participants

- a unique opportunity to travel,
- take part in activities as well as meeting 45,000 other scouts from around the globe.

You can learn more about the jamboree at their website <http://www.2019wsj.org/>

It is open to anyone that is a member of scouting born between 22 July 2001 and 21 July 2005.
